## *Tahosa Alumni Association is looking for your HELP!*

I am posting this in hopes of getting some help with new memberships with the Alumni Association. If you are not familiar with the Tahosa Alumni we are a group of past and current scouts that want to stay involved with the camp and help in any way we can. We have members that were staff at Tahosa in the 1960's all the way up to the current staff and camp ranger. The association holds several work days throughout the year. Some of our projects have included the new chapel walk-way, the new fireplace in the training lodge (dining hall), the new retaining walls in front of Pickles Erie, Trading Post, Flag pole, Dining Hall, Shelter area at the beginning of the Chapel walk, repairs to the trail to the Council ring. We don't do all the work, sometimes we have to hire a professional, but we try to assist in any way we can. The association hosts fund raisers and collects donations for renovations and for other items the camp may need.

Please pass this information along to members of your units and we look forward seeing you at Camp Tahosa in the future. Please visit our web-site for more information about our association [www.Tahosa.org](http://www.Tahosa.org) where you can also find copies of the Totem (the official newsletter of the association), membership applications, calendar of events and officer contact information.

Thanks for your time and see you on the Scouting Trail

*Jim Fellet*

President - Tahosa Alumni Association
