TAHOSA ALUMNI ASSOCIATION | AUGUST 2020 | VOLUME 38/ISSUE 3

ANNUAL REUNION PICNIC CANCELLED UNTIL NEXT YEAR

Yes, it's been too long. Too long since we've taken the opportunity to sit on the porch at the dining hall and visit with Kuma, or explore the nature trail, poke our heads into one of the tiny cabins facing the lake and reminisce: "Remember that time when..."

We've had ZOOM meetings and phone calls and FaceTime chats to check in with one another. A few of us working in the Scouting Heritage Museum have

even been lucky enough to see each other on a regular basis (appropriately distanced and masked, of course) to continue the important work of preserving and sharing our history. But we have not been able to negotiate the situation to where we can all get together for good fellowship. Your TAA Board of Directors has been working on a solution to bring the membership together the way we would like, but given the on-going restrictions to stay a safe distance from one another, have decided to try for our next opportunity: our annual holiday dinner. We are currently exploring all of the options available to be able to offer the best possible event, and we hope that you will please save the date on your calendar to attend. At press time, we have set aside **Saturday, November 7**, to gather, share, and reconnect. We will share information and plans in the coming weeks, as they are finalized, along with information on signing up.

As always, we would love to hear from you, our members. Take a few minutes to share some memories, your input, or a photo or two. Send us an email or drop a card in the mail. Visit us on Facebook, either the Tahosa Alumni page, or the Scouting Heritage Museum page. Especially during this unusual time, we just want to stay connected. We look forward to hearing from you. This is YOUR Tahosa Alumni Association!
