Hello Fellow Tahosa Alumni Association members and friends:

I am writing to bring to your attention two exciting Tahosa Alumni activities which will be coming up at Camp Tumbleson Lake in the next few months. The first is a work weekend at camp being organized by our friends at the Northern Colorado YMCA. While there are a number of work opportunities coming up for volunteers at Camp, the Alumni Association has decided to put our efforts behind the work day on May 17, the Epic Day of Service, in conjunction with Boulder Rotary and the YMCA. If you and/or your troop, post or pack wish to participate in the service project at Camp, send an email to Teresa Roalson at the YMCA ([Teresa.Roalson@ymcanoco.org](mailto:Teresa.Roalson@ymcanoco.org) or call her at 303-443-4474 Ext. 1101) and indicate your plans for helping at Camp Tumbleson Lake on the 17<sup>th</sup>. Other dates are available this spring as well so you can also request this information from Teresa if that will work better for you or your group.

The second event which requires your attention is the Annual Tahosa Alumni Reunion Picnic at Camp. This year we are holding the Picnic at the dining hall (as many of you have requested). The Picnic will be held on August 23<sup>rd</sup> and will begin at Noon with lunch. Following the lunch there will be an opportunity to see the many wonderful additions and improvements that the YMCA has already made at Camp. You will be amazed at the progress that has been accomplished. The cost for the picnic will be \$10 per person and reservations can be made by paying online at the Tahosa Alumni Association website, or by mailing a check to: Tahosa Alumni Association c/o Keith Kennedy, 2716 W Greens Drive, Littleton, CO 80123.

So, make your plans now to get up to our beloved Camp Tahosa (Camp Tumbleson Lake) just as many Scout Troops are already doing. Our Campmaster program is still in place and is being organized to continue to support your unit's visits to camp. To make a reservation at Camp for your unit visit [CampMaster@ymcanoco.org](mailto:CampMaster@ymcanoco.org).

That is all for now.
